### Edible Banana Pencils

**Materials:** Little Debbie Banana Twins - each individually wrapped package will yield two pencils, Banana (you can get 3-5 pencil tips depending on the size of each banana), 1 large raspberry per pencil and 1 raisin per pencil

**Directions:** Carefully open each Banana Twin and discard the wrappers. Line the Banana Twins up on a large baking sheet, serving tray or platter about 2" apart. Peel 1 banana at a time and use a small paring knife to slice it into 2" chunks. Use the paring knife to cut the banana chunk into a triangle shape and make a small wedge in the tip of the banana. Give each 'pencil' one triangle shaped banana tip. Place one raisin in the small cut you made to make it look like pencil lead. Lastly, place one large fresh raspberry on the top of each 'pencil' to resemble an eraser.
