This art project is super easy. All you need is some stamp pads and a marker. Place the child's thumb on stamp pad to cover in ink. Place thumb on paper of choice. Draw arms, legs, and face. Add cute saying and you're all done! 😊

Thumb-body ♥'s you!

Welcome our new Program Director to our program:

Ms. Cherri has worked with children in one way or another since she was young. She has also raised 4 children of her own and now has 3 grandbabies that are her whole world. She stayed home with her grandbabies for the last three years, but is excited to get back into the work force. Cherri has worked at several centers and has lots of training hours through T.M.C.C. and Children's Cabinet. She loves children of all ages and looks forward to working with the children in Adventure Camp. She has a dog named Levi and a cat named Kwiw. She enjoys taking walks with her dog, hiking and cooking and loves chocolate.

Please welcome Ms. Cherri to our program.
