About Coach Chris:

Coach Chris Tabarez, also known as “Coach Chris”, has spent over 15 years working in youth sports providing safe, educational and quality sport programs. Having worked with thousands of children as a coach, physical education teacher and program director, Coach Chris understands that a quality youth sports program should be based on development, positivity and FUN! Coach Chris believes that sports offers more than just exercise and physical skill development. Sports offers an opportunity for personal growth, building self-confidence and character development. These benefits impact the child, their family and community on and off the court and last long after their sports career is complete. Coach Chris Sports philosophy is: "Try your best. Learn. Have Fun!"

Try your best. Learn. Have Fun!

Program Highlights:

- *Age Appropriate Sequenced Curriculum**
- *Fundamental Skill Based**
- *Personal Development**
- *Fun! Fun! Fun!**
