Marbled Valentine's Day Playdough

Materials:

- 3 cups all-purpose flour
- 3 cups water
- 1 ½ cups salt
- 3 tbsp baby oil (I normally use vegetable oil but was out. Baby oil worked great and provided a lovely scent!)
- 3 tsp Cream of Tartar
- Purple and Pink food dye

Directions:

- Whisk 1 cup water, 1 cup flour, ½ cup salt, 1 tbsp oil, 1 tsp Cream of Tartar, and several drops of purple or pink dye in a saucepan.
- Heat the dough mixture until it forms a ball.
- Remove from the pan and knead well.
- Repeat 2 more times to make the other colors (for white, leave out the food dye).
- Twist the playdough's together and roll into a ball to create a marbled effect!
