

# JULY

## DIY Confetti Poppers:

### Materials

- Balloon (red, white, or blue color)
- White paper
- Red paper
- Blue paper
- Toilet paper roll
- Confetti (or make your own)
- Scissors
- Tape
- Glue tape
- Star punch (1 inch size)

### Instructions

#### Step 1: Attach the balloon to the paper roll

- Tie a knot in the end of a deflated balloon.
- Cut off about 1/2 an inch from the very top part of the balloon.
- Stretch the balloon over one end of a toilet paper roll.
- Secure the balloon in place with tape.

#### Step 2: Cut out the pieces of paper

- Cut a white piece of paper to be 6 inches long by 4-1/2 inches tall, or whatever size will cover your entire paper roll.
- Cut 4 red strips of paper to be 6 inches long and 1/4 inch wide.
- Grab blue paper or cardstock and cut a section to be 6 inches long and 1-1/2 in wide.
- Use a star punch to punch out 4 white stars.

#### Step 3: Decorate your confetti popper

- Add glue tape (or regular tape) to one short end of the white paper.
- Roll the white paper around the paper roll and tape it into place.
- Use glue tape or tape to attach a red paper strip about 1/4 inch from the bottom of the paper roll
- Wrap the red paper around the roll and secure it with tape.
- Add the 3 other red strips, placing them evenly apart.
- Add glue tape to the short end of the blue paper.
- Attach it to the top of the paper roll, connecting the other end with tape.
- Add glue tape or glue stick to the back of the white stars and attach them on top of the blue paper. We spaced them evenly apart, one on each "side" of the paper roll.

#### Step 4: Have fun using your party popper

- Add 2 to 3 Tablespoons of confetti into the top of the paper roll.
- Hold the knot of the balloon and pull down.
- Let go of the balloon and watch the confetti fly through the air.

## DATES TO REMEMBER

July 1<sup>st</sup>: International Joke Day

July 2<sup>nd</sup>: World UFO Day

July 4<sup>th</sup>: Independence Day

July 7<sup>th</sup>: Global Forgiveness Day

July 15<sup>th</sup>: National Give Something Away Day

July 20<sup>th</sup>: Space Exploration Day

July 26<sup>th</sup>: Summer Olympics Day

July 28<sup>th</sup>: National Parents Day

## Extra Activities @ Caughlin Club

Piano with Lusa Rylski

Swim Lessons

Tennis

## Birthdays

Annabelle: 7 Years Old

Prakriti: 7 Years Old

Dakota: 8 Years Old

Sebastian: 7 Years Old

William: 6 Years Old

Lillyana: 7 Years Old

Ben: 9 Years Old

Alyssa B: 9 Years Old

Laken: 10 Years Old

Isabella: 6 Years Old

Jameson A: 7 Years Old

## Curriculum Themes

1: Summer/ Independence Day

2: Camping

3: Space & The Solar System

4: Vacation/ Traveling
